

# WOOSTER and SMITHVILLE AREA PARADE OF FLAGS

MEMORIAL DAY ■ FLAG DAY ■ INDEPENDENCE DAY ■ PATRIOT DAY ■ VETERANS' DAY

Please have orders in by: January 31, 2019

Dear Flag Subscriber:

Thank you for supporting the Rotary Parade of Flags Program. The tenth year ended with over 2,000 flags flying high displaying patriotism, community pride, and a tribute to our military. It is hard to believe that flags have been flying for a full decade. To date, over a hundred thousand dollars has been earned by local non-profit groups placing the flags. The groups include Boy Scouts, Girl Scouts, 4H Clubs, Wee Care Preschool, Lions Club, and many school groups. In addition, we have over 100 flags out as a tribute to our country in various locations like the school buildings, municipal buildings, non-profit buildings, Wooster cemetery, and entrances to the city. As you know, the program supports Rotarian initiatives including high school scholarships, Veteran projects, literacy programs, community projects, and the student-exchange program.

We wanted to let you know that changes are happening for 2019. The Rotary Flag Project has a brand new website, and the order structure is slightly different. You will now be able to subscribe via PayPal (using your credit card), so that your flag order renews automatically each year. This option will replace the multiple year options previously available for purchase. Don't worry, if you previously purchased multiple years, those payments will be honored. Of course, your subscription can be cancelled via PayPal at any time. Other options available for purchase are:

- A **single year** home or business,
- A **subscription that auto renews** annually in November for your home or business,
- A **single year gift** to a home or business location of your choice,
- A **gift subscription** to a home or business location of your choice that auto renews annually in November,
- A **single year flag in honor** of someone to be placed at the library, or
- A **subscription in honor** of someone to be placed at the library that auto renews annually in November.

You can find our new website at:

[www.woosterrotaryflags.org](http://www.woosterrotaryflags.org)

Like last year, the 2019 renewal rate is \$35 for all five holidays. We welcome online subscription renewals to save volunteer time. For ease of renewal, the attached email (or print out for those without email) shows you the orders you purchased last year. Thank you again for participating in the Wooster-Smithville Parade of Flags program. We hope our new system makes participating in this program easier and more convenient for all!

Sincerely,  
The Rotary Flag Committee
